БЕОГРАД

The Letter of Understanding signed between WFP and YRC on 13-10-2000 covering the year 2000 expired on 31 December 2000. Its first extension covering the period January - June 2001 expired on 30 June 2001 and its second extension covering July 2001 expired on July 31st 2001.

This is to confirm that further co-operation between WFP and the YRC will continue under the same Letter of Understanding during the month of August 2001 and under the same terms and conditions indicated in the basic Letter of Understanding signed on 13-10-2000 and in its first/second extension covering the period January-July 2001. However, due to the changed working environment and following the mutual agreement reached between WFP and UNHCR, the following changes to the previous working arrangement will come into effect as of 1st August 2001:

As of 1st of August 2001, all WFP commodities allocated to authorised refugees in private accommodation in the Belgrade Sub-Office area of responsibility (Belgrade, Pozarevac and Sabac regions) will be delivered to the WFP managed warehouse in Belgrade and the YRC EDPs in Sabac and Pozarevac. From there, commodities will be collected by UNHCR and its designated implementing partners for final distribution to those beneficiaries as noted above. Please note that initially and until further notification, this procedure will be applicable to the sixteen (16) municipalities that comprise the Belgrade region only. Direct deliveries of WFP commodities for the Pozarevac and Sabac regions will be forwarded to their respective YRC EDPs.

During the period 1 - 31 August 2001, the ground will be prepared for new revised working arrangements that will come into force as of September 2001.
